HSBC Trinkaus & Burkhardt AG dividend 2019

At today's board meeting, the Executive Board of HSBC Trinkaus & Burkhardt AG ("HSBC Germany") passed a resolution to propose to the AGM on 9 June 2020 to pay a dividend of EUR 2.00 (previous year: EUR 2.50) per share from the 2019 annual net profits. This resolution is subject to the final adoption of the 2019 annual financial statements and subject to the approval of the Supervisory Board. Over the past year, HSBC Germany increased its revenues in all business divisions. Operating revenues, for instance, rose by 7 percent to EUR 786.8 million. However, mainly due to significantly higher loans impairment losses, the pre-tax profit fell from EUR 171.1 million in 2018 to EUR 144.8 million.
