The best way to get to us:

By train:

From Munich main station take any S-Bahn train in the direction "Osten" and get off at the second stop "Marienplatz" or at the third stop "Isartor". By underground line U4 or U5 to "Odeonplatz" or "Lehel". Our branch is a few minutes from here.

From the airport:

From the airport take the S-Bahn train S1 or S8 to the station "Isartor".

From the North (Nuremberg):

Coming from the A9 carry straight on at "Kreuz München-Nord" (13/72) until you reach the end of the motorway at "München-Schwabing" (76). Follow the signs to "Mittlere Ring (2R)" and turn left at the first set of traffic lights into "Leopoldstraße" (around

4 km). Carry straight on, past "Siegestor" until "Leopoldstraße" leads into "Ludwigstraße" at "Geschwister-Scholl-Platz" (Universität). At the next large crossroads turn left into "Von-der-Tann-Straße" and then immediately afterwards right onto "Alstadtring" (Franz-Josef-Strauß-Ring). Our branch can be found just before "Herzog-Rudolf-Straße" on the right-hand side. Limited parking is possible in front of the building or in car parks in the surrounding area.

From the West (Augsburg):
 Coming from the A8 at "Dreieck München-Eschenried" (79) take the A99 in the direction of "Salzburg". At motorway junction "München/Nord" (13/72) take the A9 in the direction of "München". Carry straight on until you reach the end of the motorway at "München-Schwabing" (76). Then proceed as from the North.

From the East (Freising, airport):
 Coming from the A92 at "Autobahnkreuz Neufahrn" (4/68) take the A9 in the direction of "München". Carry straight on until you reach the end of the motorway at "München-Schwabing" (76). Then proceed as from the North.

From the South (Salzburg):
 Coming from the A8 at "Autobahnkreuz München/Brunnthal" carry straight on until you reach the end of the motorway at "München-Ramersdorf" (91). Cross the "Innsbrucker Ring" (2R) and carry straight on into "Rosenheimer Straße". Keep going straight on in the direction of "Alstadtring" and cross the Isar river at "Deutsches Museum" (Ludwigsbrücke). At "Isartorplatz" turn right onto "Alstadtring" and carry on along "Thomas-Wimmer-Ring" and "Karl-Scharnagl-Ring". Just before you reach "Bayerische Staatskanzlei" (Hofgartenstraße) turn around and go back a few metres. The branch can be found on the right-hand side.
